**Declaration of Compliance**

This is to certify that products

**98% CBD-HQ isolate**

**95% and 98% CBC isolate**

**70% CBN distillate**

are produced in compliance with legislation valid in Czech Republic (European Union) and production process follows Hazard Analysis and Critical Control Points (HACCP) and good manufacturing practices.

Products are derivatives of cultivar of *Cannabis sativa* L. („industrial hemp“) listed in „Common Catalogue of Varieties of Agricultural Plant Species“ as per Art. 10 of COMMISSION REGULATION (EC) No 1120/2009. We are using GMO-free varieties of hemp grown by farmers who comply with member state’s regulations on cultivation and processing of *Cannabis sativa* for industrial use.

Products are not derived from genetically modified organisms or irradiated material. They are free from both genetically modified DNA and the proteins derived from genetically modified DNA. Furthermore, all the hemp varieties are classically bred and there are no genetically modified hemp plants. We also declare that the probability to cross-pollinate with any existing GM crop is zero.

We hereby declare that these products are allergen-free as per Annex II of (EU) 1169/2011, and ALBA List. They are free of PCBs and Mellanine. They are not in conflict with restricted substances of WADA – World Anti Doping Agency.
